

## Jason Scott – Angel Investor + Startup Advisor

### BIOGRAPHY

Jason Scott is a Partner at [ANIM](#), an early-stage venture fund based out of New York and London. Prior to ANIM, Jason led Google's startup developer ecosystem, and has been responsible for launching and running startup programs for Google worldwide, including Google's Accelerators for Black-led, women-led and climate-focused companies. Jason also launched Alphabet's [Black Angel Group](#) in early-2021.

Today, in addition to his role at ANIM and leading the Black Angel Group, Jason also remains an active angel investor, Google for Startups partner, and startup advisor
