

## Toan Huynh –Investor, Entrepreneur-in-Residence, and Partner at Baylane Capital

### BIOGRAPHY

Toan Huynh has spent over 20 years working at the intersection of financial services and technology, leading large digital transformation projects for global 1000 firms. In 2008, she co-founded and served as Head of Insurance and Financial Services for Global One/Cloud Sherpas, a global cloud advisory firm, which was acquired by Accenture in 2015. Toan remained as a Managing Director with Accenture's CloudFirst and Digital Practice, while running various innovation programs including the Fintech Innovation Lab with the Partnership Fund for New York City and launching the Liquid Studios for Innovation.

After spending over fifteen years investing in early-stage companies, she joined Citi Ventures as an Entrepreneur-in-Residence to launch new financial products within the Consumer Bank and Institutional Corporate Group divisions. In addition, she joined Information VP as the US-based Partner, investing in B2B SaaS, financial services technologies, and enterprise technologies in North America and advising as a growth advisor, which she served until 2020. She is currently a Partner with Baylane Capital, an early stage technology and IT services fund which provides operations and growth support for venture-backed companies. She also serves on private and public boards, including Sunlight Financial, Flagstar Bank, and Bankers Financial Corporation.
